Preparedness Plan Introduction

Governor Whitmer's [Executive Order 2020-142](#) "provides a structure to support all schools in Michigan as they plan for a return of pre-K-12 education in the fall. Under the order, school districts must adopt a COVID-19 Preparedness and Response Plan laying out how they will cope with the disease across the various phases of the [Michigan Safe Start Plan](#). In turn, the accompanying Michigan Return to School Roadmap offers a guide to the types of safety protocols appropriate during each phase. There's no one-size-fits-all solution: What works in Lansing may not work in Sault Sainte Marie. Districts will retain the flexibility to tailor their instruction to their particular needs and to the disease conditions present in their regions." (EO-2020-142)

Each district (public, public school academy (PSA), nonpublic, and intermediate school district (ISD) that educates pre-K-12 students) shall submit a single completed Assurance Document and Preparedness Plan to its Board in time for approval by August 15 or seven days before the first day of school, whichever comes first. This template, when completed, serves as a single Assurance Document and Preparedness Plan.

The Preparedness Plan will be collected by the Intermediate School District for public school districts, the authorizing body for public school academies, or the chief/designated school administrator for nonpublic schools for transmission to the State Superintendent of Public Instruction and State Treasurer by August 17, 2020. Additionally, this Preparedness Plan must be posted on the district's/PSA's, or nonpublic school's public website home page no later than August 17, 2020. A single application should be filed by the district rather than multiple applications for individual schools within a district.

Preparedness Plan

Every district must develop and adopt a COVID-19 Preparedness and Response Plan (“Preparedness Plan”) that is informed by [Michigan’s 2020-21 Return to School Roadmap](#) (“Return to School Roadmap”) from the COVID-19 Task Force on Education and Return to School Advisory Council.

In accordance with Executive Order 2020-142 a plan must include all the following parts:

- A. The policies and procedures that the District will follow when the region in which the district is located is in **Phase 1, 2, or 3** of the *Michigan Safe Start Plan*.
 - 1. Describe how the district will offer alternative modes of instruction other than in-person instruction and a summary of materials each student and the student’s parents or guardians will need to meaningfully access the alternative modes of instruction included in the Preparedness Plan. If the Preparedness Plan relies on electronic instruction, the Preparedness Plan must consider how the district will aid students who lack access to computers or to the internet. This is also in the Continuity of Learning and COVID-19 Response Plan submitted in April. You may want to update and link to this plan in your response below.

As a statewide cyber charter school, we will continue our normal delivery stated in our charter, as it is designed for remote learning for all students. Our school will continue to keep coursework and new learning moving forward through the use of the Edgenuity platform and curriculum, while recognizing that all students may not be able to participate to the normal extent given the change in home situations. Our staff will continue to reach out to students via chat on Zoom, Google Messenger/Hangouts, email, phone calls and daily remote Office Hours.

To ensure all students have access to computers and to the internet, all students are issued a Chromebook and a MIFI Internet connection. These tools are dispersed through the center each student attends.

Students will post work, respond to questions, complete assigned classwork and complete projects. Student participation is recorded in both our Pulse program, as well as Edgenuity. Progress will be monitored and noted within our Pulse program daily, with daily team meetings to review student work. Engagement is measured each week through 3 indicators: 1) 2-way communication 2) Students response to video chat 3) Time spent in online courses.

- B. The policies and procedures that the District will follow when the region in which the District is located is in **Phase 4** of the *Michigan Safe Start Plan*. Those policies and procedures must, at a minimum, include:
 - 1. **Face coverings** (p. 22)

 - iii) All staff when in classrooms.
 - iv) All students in grades 6 and up when in classrooms.
 - v) All students in grades kindergarten through grade 5 unless students remain with their classes throughout the school day and do not come into close contact with students in another class.

The expectations for the wearing of face coverings and how to obtain clean face covering will be included in all district to parent communications, all handbooks, all student orientations, and all staff orientations.

Face coverings will be ordered and provided to every student and staff member on a daily basis. They will be placed in each center near the door every morning.
